Literally, falling refers to the physical act of losing one's balance and dropping to the ground?think of an apple falling from a tree or a person tripping on uneven terrain. Metaphorically, "fallen" often describes a decline in status, morality, or dignity, such as a "fallen hero" or a "fallen angel."

- Literal Definition: To move or drop downward freely under the influence of gravity.
- Metaphorical Definition: To decline from a higher state or position, often involving loss, failure, or moral lapse.

The term is versatile and frequently used across contexts to evoke images of descent, failure, or transformation.

The Cultural and Literary Significance of "Fallen"
