The tradition of stained glass dates back to ancient civilizations such as Egypt and Rome, but it reached its zenith during the Middle Ages with cathedral windows. It was only in the late 19th and early 20th centuries that stained glass transitioned from monumental architecture into decorative household items, including lamp shades.

The Birth of Artistic Lamp Shades

Tiffany Studios, founded by Louis Comfort Tiffany, became particularly famous for its signature stained glass lamp shades characterized by elaborate patterns and opalescent glass.

Evolution Through the 20th Century

While early designs favored highly intricate, detailed patterns inspired by nature or geometric motifs, later designs incorporated more abstract or modernist themes.
